PICOSURE TATTOO REMOVAL

Breakthrough Tattoo Removal

Erase unwanted tattoos with PicoSure, the most advanced laser treatment available for safe and effective tattoo removal. PicoSure targets unwanted ink more effectively than ever before, successfully removing difficult ink colors, such as blues and greens, as well as previously treated tattoos. Fewer treatments, faster recovery time, and greater results are achievable with PicoSure's groundbreaking picosecond technology.

TATTOO TREATMENT

- X-Small (0-3")
- Small (4-10")
- Medium (11-20")
- Large (21+, Half Sleeve)
- XL (Full Sleeve, Full Back)

PICOSURE FOCUS LENS SKIN REJUVENATION

Shatter The Past, Reveal The Future

PicoSure provides breakthrough technology to revitalize your skin, remove unwanted pigment, and treat wrinkles and acne scars. PicoSure gently delivers short burst of energy to target problem areas without causing harm to the surrounding skin. This innovative technology can help you achieve a more youthful appearance without the typical discomfort and downtime.
